Highest quality, unique chairs and other solid wood furniture directly from modern factories in Poland.

Our greatest advantages are experienced specialists, designers, wood of the best quality and centuries-old tradition of furniture crafting.

Poland has been the fastest-growing manufacturer and exporter of furniture for more than 20 years.

Leading German, French, English, Italian and Swedish furniture brands appreciate our potential and produce furniture in factories located in Poland.

In our regular offer for wholesale customers are bestseller models of chairs, armchairs, tables and other furniture.

We can also manufacture any unique furniture requested by client.

We are a world leader in manufacturing contract furniture for hotels, restaurants and public spaces.

The offer includes classic, modern, glamour and much more styles of furniture produced from solid wood.

We have the lowest production costs of high quality furniture in Europe, therefore we can offer our customers the best prices.

Highest quality solid wood only from Polish forests. Our raw materials are sourced with care for the environment.

Our furniture is designed by creative and talented designers who pay attention for it to not only be aesthetically pleasing, but also comfortable and durable.

The most part of the production process takes place in modern, automated manufactures.

Every piece of our unique furniture is finished by hand by our experienced craftsmen with attention paid to tiniest detail.

Our offer contains also renovation of furniture, including antiques. We will restore the splendor of furniture in your hotel, restaurant or residence.

C Contract furniture

We manufacture the highest quality contract furniture for all types of investments - hotels, restaurants, theatres, offices, conference facilities, educational, public spaces and residences. We provide furniture for all continents.

Our offer includes modern, classic, glamour, Italian and any other style of furniture. We specialize in the highest quality solid wood furniture but other types of materials and all types of finishing are also available.

We are able to manufacture any type of hotel and restaurant furniture strictly according to the provided design and selected materials. We also carry out renovation projects, including antiques.

We implement luxury and economic projects, large and middle size, always ensuring a short delivery time, great durability and long-term guarantee of our contract furniture. At the same time, our prices are very competitive!

We invite to cooperation interior architects, designers, and projects' owners.
